Director's Meeting

Monday, 30 July 1951

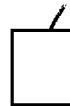

25X1 Mr. [] reported that Colonel [] sent back a full report on his findings in Thailand. 25X1

25X1 Mr. [] gave the DCI a list of promotions of service personnel in both OPC and OSO. [] feels we have done very well. 25X1

25X1 Mr. [] discussed at some length the deteriorating relationship between OPC and Secretary Pace and General Collins. He feels that General Collins is constantly being needled by General McClure's organization and his own Indians. 25X1 Mr. [] mentioned a memorandum in which General Collins expressed concern over the lack of CIA planning for re-tardation and stressed the fact that [] had answered this in excellent style. The DCI mentioned that to some extent we could control General Collins by having the NSC put a time limit on the Magnitude Paper. The Director further stated that he would take the whole matter up with General Marshall. Mr. [] before the end of the week, will have a paper prepared for the DCI setting forth various important points in our troubles with the Department of the Army. 25X1 25X1

25X1 Mr. [] will see Secretary Pace and feel him out as to what is really going on in the Department of Army in relation to OPC.

25X1 Mr. [] said that he had cancelled AD's Meeting for this morning on account on the special IAC Meeting. The Director has agreed to have an AD Meeting Tuesday morning at 11:00 o'clock.
